Sir/ Madam:

This is to acknowledge receipt of your Kibaka flyers for reforms. It is informative and suggestive of concept though some may not be new but still realistic and applicable as solutions to situation now faced by our country.

Thank you for your ideas and the expression of concern to your country of origin.

Mabuhay to Kibaka and to the men and women behind the worldwide Filipino movement.

My personal and warmest regards.

Very truly yours,

GENEROSO DC. TULAGAN
